Corporate Launches

## Event Production Services

However large or small your event our experienced team are there to ensure your event's success. We've delivered, developed, produced and managed events of every conceivable size and arts discipline from beautiful bespoke parties to full on festivals.

Our talented and seasoned production managers are there to help and advise you at every stage of planning your event. We stock a huge variety of equipment available for immediate hire, which combined with our production team's expert technical knowledge ensures your event is in safe hands

## The Complete Partner

We provide full design, planning, delivery, build, operation and take down service to events across a diverse range of sectors and venues. We have everything you need in any event. We own extensive hire stock of: Lighting, Audio, Staging, AV, and Power Distribution equipment.

We believe in building long term relationships with clients delivering stunning events that showcase their values and interests through attentive partnership. We have the depth of experience you need and the talent your business deserves. We love what we do and it shows.

We make  
an entrance  
at every event

Live Events

## Detailed Planning

We understand just how important attention to detail is for our clients. Our experienced, qualified and professional technical crew know just how to realize your event's potential at every stage of the process, on time and on budget.

Conferences

Our dedicated and skilled production managers love a challenge and are always on hand to provide the most accomplished solution to bring to life your creative vision whatever your project's size and ambition.

Fashion Shows

**"We highly recommend all aspects of the services offered by Enlightened including health and safety, power and distribution, sound and lighting. We find there is great value in working closely with them, we value their input, ideas and 100% professionalism. They are creative and practical, there always seems a way through a problem, and constructive suggestions are always at the ready. The outcomes when working with Enlightened are failsafe, look and sound good, and impress our clients".**

**Dany Fremantle, Oasis Events**

Awards Dinners

## The Benefit of Experience

Our accomplished production team have decades of experience in producing stunningly successful events to an internationally high standard.

All hold industry specific qualifications and have undertaken extensive external training, (including BS7909). Enlightened are full members of the Production Services Association and subscribe to all industry guidelines and safe working practise.
